

fast and easy

Equation Network Expansion to 61 cities in U.S.

For your urgent shipments to U.S., Korean Air Cargo's Equation service is providing the most convenient solution. From April 1st, 2003, Equation service is available to 61 cities in U.S. in cooperation with Delta Airlines, a member of SkyTeam Cargo.

Service Features

- Guaranteed fastest service**
 Applicable to parcels up to 70kg/piece, shipments up to 300kg/AWB
 The maximum allowable dimensions are 229cm (length + height + width) per piece.
 No reservation is required
 Cargo acceptance: Up to 90 minutes before departure
- The shipments will be transferred to Delta Airlines' domestic flights via Atlanta, and the customers at destination can receive the shipments by next day based on the departure time in Incheon.
- If a shipment does not arrive at destination by next day 10 a.m. (based on Delta/Atlanta transfer time), refund will be made up to 100% of the freight charge.
- Tracing is available throughout the entire route on Korean Air Cargo Website.
